

I Pledge to Trash the Poop!

Trash the Poop is a City of Columbia program that encourages pet owners to pick up their pet's waste and discard it in the trash by providing free pet waste stations to neighborhoods that pledge to pick up, bag, and trash the poop. For more information, visit <http://www.columbiasc.net/stormwater/educational-programs/trash-the-poop> or visit with your friendly neighbor that is asking you to pledge.

As a participant, I pledge to:

1. **Pick up my dog's waste**, whether in my own yard (once per week) or in public space (every time we go out)
2. **Bag the waste** and tie my bag so the bag does not leak
3. **Toss the bagged waste into the trash**
